

```
# After I tried some commands, I found an archive with binwalk :  
binwalk -e 'Forensics is fun.pptm'
```

```
# After some research I found a hidden file in 'extractions/Forensics is  
fun.pptm.extracted/0/ppt/slideMasters/', named "hidden". The text from this file is  
:
```

```
    # Z m x h Z z o g c G l j b 0 N U R n t E M W R f d V 9 r b j B 3 X 3 B w d H  
N f c l 9 6 M X A 1 f Q
```

```
# I entered this on "https://www.dcode.fr/cipher-identifier" and this is a base64.
```

```
THE FLAG : picoCTF{D1d_u_kn0w_ppts_r_z1p5}
