

You have to decompress 1000 archives with this Python code :

____decompress.py_____

```
import subprocess
```

```
for i in range(1000, 0, -1) :  
    subprocess.call(f"7z x -y {i}.tar", shell = True)
```

You will find a photo with the flag

THE FLAG : picoCTF{l0t5_0f_TAR5}
