    ▶ <nav>...</nav> flex
    </header>
    ▶ <section class="about" notify_true="cGljb0NURnt3ZWJfc3VjYzNzc2Z1bGx5X2QzYzBkZWRfMDdiOTFjNzl9">...</section>
    <!--.about-->
  ▶ <section class="why">...</section>
  </body>
▶ <style class="stylus">...</style>
</html>
```

If we decode with "base64", we get the flag
